Economics Faculty Advising

Do you have economics industry specific questions?
Are you planning to attend graduate school for economics and want more information?
Are you looking to build a relationship with an economics faculty member?

Below are the Economics Faculty Advisors for Spring 2015 semester. The advisor list changes every semester, so please make sure you have the current list. Email or attend the Office Hours of any and all of the below professors, whom you think could best assist you with your economics questions or concerns (note each faculty's expertise). Keep in mind, students are welcome to reach out to faculty members that are not noted below for guidance.
