

# Considering Economics as a Major?

## **Females only** Information Session!

[econ.uconn.edu/econ](http://econ.uconn.edu/econ)

Economics is a great major for students who are interested in both understanding how the world works and making it a better place.

Learn the broad scope of career opportunities available to ECON majors- not just business and finance!

Connect with expert female faculty members in the field!

Sample the variety of possible Research Assistant positions!

5:30 PM Tuesday

October 6th

Oak Hall 337

Light

refreshments

will be served!

Male students interested in economics are encouraged to attend academic advising walk-in hours for more information!
