

**Omicron Delta Epsilon
The International Honor Society for Economics
UCONN ODE Membership Application**

To become a member of the UConn chapter of Omicron Delta Epsilon, you must be currently enrolled in the Economics Major and meet the eligibility requirements set out below.

The minimum requirements for admission for undergraduates are:

- A declared Economics Major
- Have completed a minimum of 12 upper-level (2000+ level) credit hours of economics courses, including both ECON 2201/2211Q and 2202/2212Q
- Attained of a Major GPA of 3.0 or better in economics
- Attained a cumulative GPA of at least 3.0

Benefits: A life-membership fee is paid by each prospective member of Omicron Delta Epsilon upon election to the Society. In return, the member receives a membership card, scroll and free on-line access to The American Economist.
